

PRESSEINFORMATION
PRESS RELEASE

**Change in top management of KÖMMERLING
CHEMISCHE FABRIK GMBH**

The long-serving Managing Director of KÖMMERLING CHEMISCHE FABRIK GMBH, **Mr. José C. Houssa**, has resigned from his management function due to illness. KÖMMERLING would like to take this opportunity to express its gratitude for the 10 years of dedicated service which Mr. Houssa has given to the benefit of the Company.

With effect from 1st November 2010, **Mr. Bernd Helfrich** (47) has been appointed Managing Director and, together with the current Managing Director, Mr. Charles Richard Spalton, will now lead the Company. Mr. Helfrich joined KÖMMERLING in 1983 and has gained broad management experience through his long service in Sales, Purchasing and Operations.

*Bernd Helfrich
New Managing Director of KÖMMERLING*

The recruitment of a Managing Director from the internal Management team reflects the confidence of ADCO Global Inc., the American Holding Company of KÖMMERLING CHEMISCHE FABRIK GMBH, in the KÖMMERLING Management team which has continuously developed the business together with its staff since it acquired the well-established Pirmasens based firm in 2000.

KÖMMERLING CHEMISCHE FABRIK GMBH is a leading supplier of adhesives and sealants for insulating glass, solar, automotive and construction industry.
